Report of Principal and School Improvement Council

Conway Elementary School is a community school where students in kindergarten through fifth grade receive challenging and meaningful instruction from highly qualified faculty and staff. CES continues to provide instructional programs within the school to enhance instruction such as Everyday Mathematics, Literacy Workstations, Imagine It Phonics, Burst / Voyager ELA intervention programs, Writing Workshop, Science, and Social Studies curriculum.

Increasing reading comprehension and math skills is a daily instructional priority for the instructional staff. As a result, teachers participated in ongoing professional development and weekly common planning with the school curriculum coach. The professional growth and common planning activities have focused on phonics, small group literacy workstations, Math RIT groups in all grades and implementation of the Imagine It Reading Program for grades K-2. Students in grades 3-5 also received additional small group assistance in reading and math instruction on their individual levels.

The staff and Conway community share the mission to provide all children with opportunities to excel in academics and in personal and social areas. The school PTO has been dedicated to fundraising in order to purchase smart boards, document cameras, Inter-write Pads, Kindles, and personal response systems for classrooms to enhance instruction. They have also worked collaboratively with the staff to provide activities such as Muffins for Moms, Doughnuts for Dads, "Star Ball" and staff appreciation activities. Many activities have brought numerous parents, grandparents, and community members to our school. The partnership between Conway Elementary and Coastal Carolina University continues to grow and provided mentors for identified fourth and fifth grade students. The CCU mentors met weekly with the mentees and also planned events with them at the University to expose the students to college life and show the importance of education. Other community and service learning activities included Fun Fridays, Kid's Night Out, CES Yard Sale Technology Fundraiser, Jump Rope for Heart, American Red Cross Blood Drive, recycling w/ Solid Waste Authority, Relay for Life, Street Reach, and Box Tops for Education. CES students are also fortunate to participate in activities sponsored by the City of Conway Recreation Department. Again, Santee Cooper has been a very important Business Education Partner to Conway Elementary and a huge supporter of our PBIS (Positive Behavior Interventions and Supports) program.

The vast majority of Conway Elementary parents, staff, and students feel this is a safe school where every child is challenged academically and appreciated personally. It is the mission of the school to continue to strive for excellence and to assure that all students reach their academic potential.
